President's Message

Good evening honoured guests, friends and family

On behalf of the Imperial Sovereign Court of the Wild Rose I would like to welcome everyone to **Coronation XXXVIII – My Big Fat Gypsy Stepdwn**. This year, although being very successful, has certainly been a challenging one which required the Upper House and Board to think outside the box. It seemed that every corner we turned a bar was closing or plans that had been made needed to be changed. I am very proud of the Upper House and the Board for being able to adapt to the changes and that everyone has worked together for the betterment of the Court and for its charities. With these obstacles, the Court looked at new ways to raise money for the charities. Perhaps one of the most important and rewarding avenues was the partnering with other organizations within the community, particularly **Womonspace**. By forming these partnerships we have been able to achieve things that would not have been possible by ourselves and most importantly we have gained

new and dear friends and acquaintances. I hope that in these changing times that these partnerships will continue to grow and prosper for the betterment of all those in the community.

To the fellow members of the Board; **Brian, Michelle, Walter, Jeff, Barry, Michael, Ian, Karen** and **Dale**, I thank you all for the support and help you have provided. It has been a pleasure serving this term with you and I thank you all for providing the unified teamwork that is needed in making this a successful year. A special thank you has to go out to Brian for taking over leadership of many meetings when my work schedule did not allow me to be there or arrive late. I would also like to thank the members that sat as representatives of the board; **LJ** and **Lorne**.

To the Upper House – first of all, to **Vanity** and **JJ** – with the challenges of this year you have both worked hard to make this a successful year.

Vanity – you have always amazed me with your energy and passion. This year that was transferred into the duties of Empress and you rocked it. Your determination to work for the betterment of this year's charities showed all year.

JJ – Your calm and stable demeanor has shown all year as well as your dedication to making this year a success.

To **Kitty, Yeust Bobb, Tequila** and **Genuwine**, The Empress and Emperor are only as strong as the rest of the Upper House. This was proven this year with your hard work, willingness, dedication and the ability to work as a team.

To the title holders of the Lower House and all members of the Court, thank you for your support throughout the year.

I hope you all enjoy the evening and your journey into the wild and wonderful world of a Big Fat Gypsy Stepdwn will be a memorable one!

Premier of Alberta

Office of the Premier, 4th Legislative Building, Edmonton, Alberta T5K 0S6, Canada

Message from Honourable Alison M. Redford, QC Premier of Alberta

On behalf of the Government of Alberta, it is a pleasure and an honour to welcome everyone to Coronation XXXVIII of the Imperial Sovereign Court of the Wild Rose.

I can hardly think of an event more precisely suited to the expression, "go big or go home". Tonight's coronation ball is a bold celebration of the uniqueness of the individual and the awesome power of a community united. It is about being here—rivers, baubles and all. Ultimately, it is about the purest, simplest joy of being.

As always, an equally lovely significance dwells beyond the spectacle. The Imperial Sovereign Court of the Wild Rose is presenting the evening in support of Edmonton Pride Centre, Camp Tyrell and the John M. Kerr Memorial Bursary Award. Bravo!

My thanks to the organizers and best wishes for success to all candidates for Emperor and Empress.

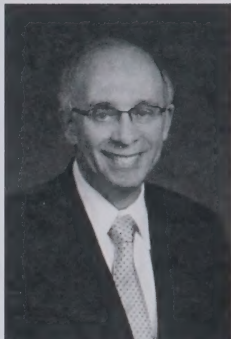

Have a magnificent evening!

Alison M. Redford, QC

I have been blessed to experience many journeys; throughout the world and throughout life. Each has had their own challenges, bumps and tears along the way yet each has rewarded me with many reasons to smile. Every step has led me to the place where I am today and I couldn't be happier.

I have had the sincere pleasure of experiencing Vanity's journey for many years. I've seen her grow as a caring and compassionate person, a strong leader in our community and as someone who anyone would be fortunate to call a friend. Vanity, I am so very proud of all that you have accomplished – as an Empress and as a person. I am honored to stand beside you as your In-Town Half Empress but most honored to call you my friend.

Congratulations to the Upper House and to membership of the ISCWR during this journey through the 37th reign. Through your perseverance, dedication and ability to just have a little fun, you continue the legacy of so many before you in being leaders and positive role models in our community. You have done this organization and this city proud.

My hope for all of you is that whatever journey you find yourself on, you open your mind and your heart to the possibilities that lay before you, you offer a helping hand to people along the way and you walk each step with the greatest of confidence and pride.

Respectfully,

Good Evening Ladies and Gentleman, Monarchs and Honored Guests:

Here we are again at the end of another reign of the ISCWR. It's been another fun year and that's what it's all about. **JJ** – I am honored you had asked me to be your In-Town half. I hope my support and guidance made a difference for you. You have grown over this past year and I am so very proud of you.

Vanity, Kitty, Yeust Bobb, Tequila and Genuwine – there is many hurdles and challenges to overcome in these positions and I must say you guys did it with dignity and respect. Watching and listening at the upper house meetings, you worked together as a team, not to say there weren't any glitches in the beginning, but it all came together.

Congratulations to you all for your year.

Of course we can't do it without the support of our Board. **Dave, Walter, Michelle, Brian, Barry, Jeff, Dale, Ian** – thank you for your guidance and support of the upper house.

I am so very proud to be proud of the ISCWR. I hope you have a great time at Coronation.

Thanks so much to all who have worked so hard to bring another Big Gay Ball to Fruition!

It's hard to believe it's been three decades! I feel pretty much the same, although likely somewhat less hung-over. After the way I behaved whilst Empress, I'm sure there are people out there who are surprised that I'm still *alive* thirty years later.

I am so proud of what Sam and I did while we reigned. We raised buckets of money and entertained madly throughout western Canada. We won in-town and out of town entrance prizes. We made friends that I still have today. People occasionally comment that, "You're so at ease in leadership" (and often ask, "How come you're so comfortable in front of the cameras?") It's all from the things I learned as we led Edmonton's court in both administration and performance.

I miss my friend Sam. I still think of him most every day and when something important or happy occurs in my life, I imagine talking with him about it. In this message a decade ago I said, "There's never a wrong time to tell your friends you love them" – It's as true now as then.

*"I'll find you in the morning sun, and when the night is new.
I'll be looking at the moon, but I'll be seeing you..."*

(Y'ain & Kahal, 1944)

Imperial Grand Duchess XXXVII Tequila Mockingbird

This past year has flown by so quickly. There have been times when I rocked the boat, times when I lent my skills and some new ideas but mostly times when I learned a great deal. It has been a huge honour for me to serve as Imperial Grand Duchess 37. I am sincerely grateful for each and every experience I've had this year and I am so sorry that I could not be there to celebrate the end of our Successful reign with you all.

I would like to seize the opportunity to thank all who supported the Thirty-Seventh Reign. This year we have faced numerous challenges and obstacles and this makes me even more proud of our achievements. Without the support of our friends and community this year would not have been successful. Thanks to everyone who played a role, big or small, in our year. So many of you have impacted my life in a memorable and meaningful way. What follows barely scratches the surface of all the things that I have learned this year and the people I am grateful for.

First, I am thankful for our 'House'. It takes a group of very special people to commit to this organization for an entire year, especially when the going gets tough - and believe me, this year was tougher than others. We were fortunate to have a positive and enthusiastic group to work with. **Vanity**, **JJ**, **Kitty**, **Yeust** and **Genuwine** are all so incredibly devoted to our organization. I am really proud to have had the opportunity to stand beside them. Each has given tirelessly of their time to enhance the image and productivity of The Imperial Sovereign Court. The five of you have taught me that in spite of its challenges, the work that we do is worth the sacrifice and this is the philosophy that I will strive to adopt in my future with the ISCW.

Vanity; I have learned that you are not only a vision of talent and poise but that you also give selflessly of your time and expertise. I am grateful for the opportunity to see, through your eyes, the pressure and stress that accompanies the role of Empress. I now have more empathy and respect for the strength of character it takes to lead this organization. You have managed to dance your way through a very challenging year and you did so with honour, integrity and innovation. It has been a significant learning experience for me and one which I will always treasure. Thank you for including me.

JJ, thank you for the respect that you have always shown me. Your warm face and infectious laughter brought joy to every event. You were a kind and gracious Emperor, as sweet on the throne as you are in life.

My papa, **LJ Steele**, you have taught me that if you're faced with adversity and you approach it head-on, mumbling under your breath the odd uncensored word armed with determination and a box of tissues, followed by a quick shot of Tequila, the problem will quite miraculously solve itself. I hope to approach all of life's struggle with your ferocity.

Clara, don't worry so much about doing things 'right'. Do things YOUR way! You're an original, embrace your fabulousness. You are my sister, and I would be honoured to call you a Mockingbird.

Carrie, mama loves you. Eat something.

Rob Big-Onion, you are a dear friend who not only taught me the value of serving this amazing community but you have spent this year guiding me through all the confusion (if only through text). You have taught me that happiness is the consequence of personal effort. You fight for it, strive for it and insist upon it - always! Thank you for this valuable lesson.

My Playgirls. I miss you but now I will have free time. Reunion show soon.

We are exposed to phenomenal opportunities for growth in this life - of that I have no doubt - and I have learned that we may only fully appreciate them as we move on from those opportunities. I may no longer be your current reigning, but I will remain an ambassador for this community as long as you all will have me.

Let's go on building the bonds of friendship and goodness through cooperation, mutual respect and above all, service to our community.

Xoxo

Imperial Crown Princess XXXVII Kitty LeBehr

Good evening and welcome to Coronation XXXVIII. I am very excited as we celebrate the triumphs and accomplishments of the 37th reign. Also as we usher in our new monarchs that will form the upcoming 38th reign. I know this will be an evening of laughs and tears of happiness as we gather the wonderful people of the ICS and our supporters in one ballroom.

When the talented Vanity Fair asked me to run as a candidate for her Imperial Crown Princess I felt honoured to highest degree. With the closing of our beloved Junction Bar I knew it would be a challenging year. A year that would require "thinking outside the box" and extra hours of our volunteer time to reach our fundraising goals. During our reign Flash Nightclub and Hooliganz Pub also closed their doors. Despite the loss of three bars we pulled together as a united team to overcome these obstacles and raise the money that we have.

For this I am very proud of us all. I have such fun memories of us working at bake sales, selling calendars, silent auctions, selling candy bracelets, working at Womonspace dances, Taboo Sex Show, Edmonton Pride, attending the Alberta Legislature, UofA Pride, NYE gala and of course arranging Edmonton's hottest drag shows. ;-)

To my loving husband: Your love and understanding has always been my rock. The past 13 years have been absolutely the most wonderful years of my life. You are much too modest but I will always acknowledge your compassion, strong spirit, beautiful soul and your amazing artistic talents. Your commitment to the ISCWR and fundraising was such a tremendous help and inspiration.

To my dear sister and friend Vanity Fair: You are such a hard working and dedicated person. Your strength this past year kept the upper house strong and resilient. I admire all your accomplishments and love you so very much. There are so many warm memories over the past year that I will remember forever. Our trip to Vancouver Coronation tops the list.

To my dear son and friend JJ Velour: You rose to the occasion this year and didn't give in to anyone who didn't think you were up for the challenges. You sure impressed me as you emerged strong and faced all the year's obstacles with grace and compassion. I will always love you and support your dreams.

To my prince and good friend Yuest Bobb: I could not have asked for a better partner in crime. Every step of the way you have been by my side. I will always appreciate your friendship and the wonderful support you have given me. You made hosting shows so very fun and I think we need to continue sharing the mic for future shows.

I would also like to thank **BigDaddy Pump, Marni Gras, Genuwine** and **Tequila Mockingbird**. We worked together so well. I feel that the upper house became family this year. We had each other's backs and stood together as a fun loving and caring group. Thank you all for you love and support.

A special thank you to my sister and drag mother **Ivanna Diamonds**. Over the past 5 years you have mentored me and have been a great inspiration and dear friend.

I also made it through the year with the support of dear friends **Pam, Karen, Mike, Tahiti Treat, Craig** and **Dustin**. You all come to all our fundraisers and when I asked for your help you provided it without question. I am very lucky to have you all in my life.

Much love from

Empress XXXVII Vanity Fair

Good evening friends! ~~~~Family, ladies, gentlemen, honored guest. Whatever you choose to call yourself, please know if you are in this room supporting this amazing journey I have been on the past year representing the amazing city of Edmonton as Empress, then I consider you a FRIEND. This will not be a typical step down message. Why would it be? This year has been anything but typical LOL. You are not going to find a list of cities or your name in bold type, that's just not how I roll. There will be a few very special people mentioned but you have to read through all my blabbering to find them, they are all worth the read.

I want to start by saying that this Reign for me never has been and never will be about the crown. Let's face it they are impractical and heavy and limit our hair and wardrobe choices beyond measure LOL. **Can I get an amen up hur gurls???** My crown sat on a shelf for three years as inspiration before it ever graced my head, it is to me a symbol of my goals, for life and for this year. It is a symbol of what we do and accomplish each and every year in this community and I wear it with great pride and responsibility, not for the respect and accolades it brings me. This year for me has always been about giving back to our amazing city and the LGBT community of Edmonton. Doing drag in this amazing community has afforded me many benefits, adventures, memories and privileges which I will never take for granted. As trying as it has been I have been truly blessed to reign as Empress of this amazing city and organization.

The ISCWR and my upper house have faced an immensely challenging year. Let's face it, all of us candidates were on PLAN B before the winners were ever announced with the closing of our beloved JUNCTION. My plan for the year even though it is almost over will always have a little hole in it. I shall always wonder WHAT IF? What if I had had the opportunity to work with two of the most amazing women I know, Deb and Tracey. Our community was forever changed by JUNCTION and has just not been the same with it gone. WHAT IF?? Despite all our challenges, ups, downs, bar closures lol you may have heard, I shut down a few lol, the strength, determination and adaptability of the ISCWR never ceases to amaze me. It absolutely blows my mind what we accomplish in Edmonton every year, year after year. ~37 years! This year has forced our organization to grow, change and refocus our energies, coming up with new and innovative ways to raise money for our charities. Proving it can be done without bars, with a little creative thinking and a lot of cooperation we have managed to have a very successful reign, exceeding our original fundraising goal with months still left to go in the reign. I am forever in debt to all the members of the ISCWR and our supporters for making my dream a reality. I love you all so much!

Our charities for the year were never in question, the Pride Center of Edmonton was the first charity out of mine and JJ's mouth when discussing our reign. Our community Pride Center has practically been rebuilt from the ground up with the help of an amazing man and someone who has become a very dear friend, Mickey Wilson. Like us, Mickey has been fighting an uphill battle and we are thrilled to be able help him see his dream become a reality by supporting the Pride Center this year with a donation. A strong community is built from the ground up, supporting our youngest and newest members is essential to a vibrant, thriving LGBT Community and all our charities this year do that for Edmonton. The Pride Center as a resource and outreach center, Camp fYrefly supporting and in some cases saving the lives of our very youngest community members and through the ISCWR bursaries helping LGBT youth reach their utmost potential so they in turn can give back to our amazing city.

Stiffy, again WHAT IF? I don't have to tell you how much you mean to me. It broke my heart to start this year without you by my side but true to your word you have been there for me every step of the way. Luv ya kid! hugs and tears lol

Ivanna Diamonds, my darling sister and life long friend, how could I have ever made it through this year without you! Keeping me focused and on track, listening to me bitch, making sure I behave like a lady lol you had your hands full this year. Thank you so much for everything you have done and for believing in me even when I didn't believe in myself. Thank you for putting this amazing night together for me. I will find a way to return the favor => Love you so much! hugs

Mr. Ted Northe, I have to admit when I was told I was to be made an heir I did not consider myself worthy of such a

title. WHY ME?? I questioned your choice with Paul and was simply told, there are no requirements other than going back to your city to carry on doing what you have been doing for your community for so long. I cry as I write this because you sometimes wonder if anyone notices the good you do in the world and I had no idea I was on anyone's radar for my efforts. I am truly humbled by the honor and am forever honored to call you a friend. Thank You <3

MOM ~ OK she deserves bold print lol. While this year has been a roller coaster and tested my strength and resilience in ways I could have never predicted, it has reignited a strength I forgot I possessed. A strength I get from a very special person, my mother, **SUSAN**. As a single mother of two for most of my early childhood, she faced challenges and stress head on, she is a small but mighty little woman and has always been my biggest source of inspiration, my loudest cheerleader and biggest supporter. She never gives me the answers to life but rather always guides my thoughts and reactions to situations so I can find the good and leave the bad behind me. She constantly reminds me of my WORTH even when others can't see it, including myself. There are of course no words to really thank you enough. I love you mom and am so blessed to be guided through life by such an amazing and courageous woman. I would not be the Empress I am without all you have taught me

MY HALVES~ Though distance separates most of us I just want to say thank you for being there, listening and guiding me when needed. Sometimes a simple call, text or facebook message made the difference between losing all hope and carrying on to the end. The six of you are an amazing bunch of individuals and words cannot truly express my gratitude. You were all chosen because you possess some quality I have always admired over the years and your dedication to your communities has been remarkable.

MY BOARD AND UPPER HOUSE~ I will first start by apologizing to you all. As fabulous as I am LMAO! I know I have not been the easiest Empress in the world to deal with. I am a stubborn, control freak and I hold myself and everyone in my life to very high standards and sometimes forget I project the impossible onto others. I want to thank each and every one of you for helping me make this year the amazing success it has been. An Empress is only as strong as the community that supports her and I cannot thank you enough for your love and support over the past year. A few people thought the court would not survive this tough year, with all of you by my side there was never a doubt in my mind that we could accomplish whatever we set out to. I know and love you all enough to have faith that all would be well. You are and will always be the most amazing friends to me and I shall treasure this reign's memories forever. huggs =)

Well I honestly thought filling two pages would be hard. lol This year will not be remembered by the words I have typed on this page but through the amazing memories made and the amazing lives we have touched this reign. Have an amazing time tonight one and all! ~~~~I remain...

I remain~

The Self Proclaimed Empress of MU MU LAND! Thanx Tammy ;)

Emperor XXXVII JJ Velour

Good evening ladies and gentlemen, dignitaries, fellow monarchs, family, and friends. Looking back just before starting out with the court, sitting in the audience of a drag show where two amazing drag queens were performing, I was thinking how much I missed being on the stage. I was fascinated, inspired and intimidated to even meet the famous Vanity Fair. If you would of asked me that day that I would be standing next to her as her Emperor one day, I would of told you that you were nuts! Well, look at me now.

I have been so blessed this year to reign with someone that has worked hard, guided, challenged, and gave me more confidence to stand up against the odds. Through the year we have grown together, building trust and a friendship that I hope will last a lifetime.

Vanity, you are an amazing person, with a strong spirit, heart of gold, and a flawless performer. You know what you want and you go for it. The person that sweeps you off your feet will be a very lucky man. Thank you for all that you have done and enriched in me this year. You will never know how much of an inspiration you are to me. I love you so much.

This year has been a challenging one with venues closing their doors, scrambling to find new venues for shows that were around the corner, and the financial strain put on the both of us, but I wouldn't trade this year for anything. I have become a stronger person through it all and have learned that family isn't just through blood. It is the relationships built among people whom you come to love and cherish. This year I was honored to work with such people, who have become closer to me and who I can call family. These people went through all the same challenges and helped Vanity and I become stronger knowing that we were not alone.

My Prince, I owe you (and Rick) so much for opening your home to us for all our upper house meetings, supplying yummy goodies and drinks, and storing the spotlight in your trunk the entire year! You were a huge help to me this year and you went above and beyond my expectations as my prince and I am truly grateful. You have listened and given me your opinions when asked. **Bob**, I cannot praise you enough for all your hard work this year. I will forever be grateful for everything you have done to achieve our goal.

My Princess, I cannot say enough about you. **Kitty**, you have a beautiful soul; so lively and infectious. You light up any room you come into, with your smile and humor, patience and grace. As I have watched you all year, people love you and are drawn to you. Never lose your lovable spirit. You have done so much this year and I thank you from the bottom of my heart. You are and always will be close to my heart.

My Duke, my son, I gave you my last name for a reason. No matter what is going on in your life, you hold within you a passion and a willing spirit to want to be there for anyone. You gave me your support and love all year long and even though you couldn't make everything, you followed through with your promise to be there for me. Don't let anyone make you feel like you are not doing enough. You are and will always be my brother, **Genuine**.

My Duchess, you have made this year very colorful and I am so glad to have got to work with you. Thank you for all your time, energy and support that you put into helping us achieve our goal. I will always be grateful for the commitment you gave to our reign.

This year I had the opportunity to travel to five Coronations.

Regina – This was my first time ever attending Regina's Ball and it was awesome to see how the monarchs treated everyone like family. This gave me vision for our upper house.

Vegas – Wow.....what do I say about Vegas or what can't I say about Vegas. This was my first time there and I was so excited that I got to meet so many wonderful people, see the strip and I have to thank **Emperor Chris Bouvia** for a fantastic welcome.

Halifax – Thank god you're moving your ball to June! I love Halifax. It's a second home for me. They give the best hospitality to anyone, especially when you get snowed in. Thanks **Jozef** and **Bruce**!!

Vancouver – T.....I still can't believe you turned me on! I am so glad to have met **Coco** and you.

Calgary – After seeing where you go to raise money, my hat's off to you.

I also had an amazing sponsor this year that gave me the means to travel to certain places that without her, I wouldn't have been able to. **Kinkstore/ Wares & Wear** have embraced me from the very beginning with the little floggers for my campaign to giving the court many donations throughout the year. I cannot thank you enough **Lori**. You are an amazing woman and I only hope for all the best to come to you and your family.

Over the year, I had some very special people help me to be the best emperor I can be.

Big Daddy, I have always looked up to you. You have given me some terrific advice and have protected me from some nasty things this year. If any future in town half emperors needs to know what they should be doing, they should just come to you and look at your example because you have been everything I needed. You have been my big shoulders to rely on. I love you Big Daddy.

Cory Carmichael, you have been so good to me that I consider you my big ol' teddy bear that has continued to check up on me and helped to keep me in line. Thank you for all your encouragement and hugs when I needed them. If I had an opportunity to have a 3rd out of town half, I would have picked you. I miss you and love you!

Brother Joey, you are my special little cub who has one of the biggest hearts I know. You hold a special place in my heart and you will always be family to me. Love you bro.

Freddy, thank you for always encouraging me any time I saw you. You and **Barkley** always made me feel loved and welcome. I will always cherish our Vegas trip together.

Ms. Shawna Starr, no matter what girl, you will always be family sweetie. You have been such a huge support and you will never know how much I have appreciated it. We need to go to Vegas together again!

Jozef, I cannot say enough about you. You have been my inspiration, my mentor, and my guide. You kept me treading, even when I wanted to quit. You have listened to me rant, cry, get excited and put up with all my annoying little habits. You have been there through the good and bad. I am so honored and grateful that even with everything you are going through, you are still there for me. I love you Daddy!

Last but not least, **Craig**, my hubby, my love. Without your support, this year would not have happened. You have helped me pick all my songs, supported me when I had to deal with stress, been there when I was excited, frustrated, upset, and watched me cry with just about everything. Without you, I don't know how this year would have gone. I love you baby with all my heart.

I am so grateful for everything I have experienced this year. It was not the way I envisioned my year to be but when has life ever gone the way I planned. I have learned a lot, met some fantastic people, visited places I have never been, and raised a terrific amount for our charities. Thank you to everyone who believed in me and supported our upper house all year long. Without you, we would not have raised what we all did. I love you all.

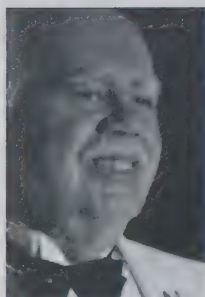

Big Hugs,

HMISM the 37th Elected Emperor of Edmonton and all of Northern Alberta

JJ Velour

"The cuddly and huggable, leather boy cub emperor"

Imperial Crown Prince XXXVII Yeust Bobb

I would like to first welcome one and all to Edmonton; your wonderful support for CORONATION XXXVIII is greatly appreciated. I felt it was a great honor when I was approached to run for Prince by JJ Velour, and as I was elected by my peers in the ISCWR community, I was truly humbled.

Through the past year I have been honored to represent our court at the many functions in Edmonton and as well in Regina, Calgary and Winnipeg. The ability to travel to these great cities and participate with these wonderful courts has allowed me to meet new friends and be reacquainted with other friends I have met over the years.

As most are aware, this reign has had many obstacles to overcome throughout the year; but with the strong perseverance, commitment and direction from our **EMPRESS VANITY FAIR AND EMPEROR J J VELOUR**, we were able to overcome these pitfalls and make this reign a

resounding success.

To my **PRINCESS KITTY LeBEHR**, I want to thank you so much for the patience and help you have given me with my microphone phobia. It has been a great honor to have been called your husband and you my wife. To your husband in the real world LARRY, I want to Thank you for your ability to transform me into a some what presentable drag queen (JENNI RATOR) for TURNABOUT. It was an impossible task; but WOW you pulled it off.

To **DUKE GENUWINE VELOUR** and **DUCHESS TEQUILA MOCKINGBIRD**, I hope I have had a little influence in making your experience a positive one; as working with you both has enriched my life and allowed me to have two more great friends.

To **THE BOARD OF THE ISCWR** your commitment and direction has been a driving force in our success this year and in the past; Thank you.

To **IVANNA DIAMONDS, MARNI GRAS AND BIGDADDY PUMP**, through your experiences and suggestions I have learned so much and do greatly cherish your friendships.

To **WOMONSPACE** Edmonton, working with your board and the support of your membership throughout this year has been phenomenal and I hope that this continues with all future reigns; as working with other organizations within our community makes us stronger and ensures we reach our goals; again a big Thank you. It is also important to do a special shoutout to **KIM PIZZEY**.

To **JEFF (JEFFYLUBE XXXPRESS)** and **BRIAN (DAYZI CHAYNE)**, I totally agreed with the community when they elected you **2012 ENTERTAINERS OF THE YEAR**, it was well deserved and as the past year can attest to. On a personal note I have been overwhelmed with your true friendship; and to the continuing support you have given me over the past two years-first as **DUKE XXXVI** and currently **PRINCE XXXVII**.

To **BRANDY BISHOP-TOWERS**, what can I say?; but hugs and thank you. You have become one of my closest friends and dearest friends. Whenever I have been in Calgary, you have opened up you home and heart to make me feel welcome and well entertained. Let's party on.

To **RICK (DENRIC CATS)** -this year would not have been possible without your love and overwhelming support. You are my Rock; whenever things overwhelmed me you gave me clear direction and hope. As the "PASTEL PRINCE OF BLING" you where the one that allowed me to pull it off and for this I am greatly appreciative. The last 38 years are a testament to our love and devotion to each other and to our commitment to achieve whatever goals we have set for our selves. I thank you again and I look forward to the next 30 or 40 years, all my love.

Congratulations **HMISM Empress XXXVII Vanity Fair** and **HMISM Emperor XXXVII JJ Velour** on their successful reign this passed year. It has been an absolute joy to serve the court under their capable hands. I figure the best way to honour these two individuals would be to summarize a couple of highlights with Their Majesties from this year. One of my first memories of the reign was when Vanity jumped on stage during the Halloween show to help me finish off my Ursula number as my Ariel. What made it extra special was that it was almost exactly the 1 year anniversary of my first performance with the ISCWR. The second thing that stands out this year was the encouragement JJ Valour gave me on a few key occasions. From a competitive dancing background, I can be extremely overly critical of myself. Lastly it was such a treat due to circumstance that my first crowning ceremony involved both JJ and Vanity.

Once again congratulations you two on your step down! Enjoy the much deserved rest. You two deserve it.

The John DeSmit Citizen Of The Year Award

The Citizen of the Year Award is presented annually to a person who has contributed freely to making the gay community a better place to live. This contribution, although not necessarily publicly acclaimed, is one that allows each of us to move through life more freely and with more companionship among our neighbours and acquaintances.

John DeSmit was a man at ease with life and who socialized freely with everyone around him. He loved having a good time and demanded nothing from those he encountered. He showed the unaware that gay people are worth caring about. He was himself cared about by many people from all walks of life and his untimely death was a tragic loss to all who knew him.
